Provision of the Services

Services Use

During the Term, Crusoe will provide the Services in accordance with the Agreement, including the SLAs, and Customer may use the Services, and integrate the Services into any Customer Application that has material value independent of the Services, in accordance with the Agreement.

Admin Console

Customer will have access to the Admin Console, through which Customer may manage its use of the Services.

Accounts

Customer must have an Account to use the Services and is responsible for the information it provides to create the Account, the security of its passwords for the Account, and for any use of its Account. Customer may only have one active Account and Crusoe has no obligation to provide multiple accounts to Customer.

Modifications

To the Services

Crusoe may make commercially reasonable updates to the Services from time to time. Crusoe will inform Customer if Crusoe makes a material change to the Services that has a material impact on Customer’s use of the Services provided that Customer has subscribed with Crusoe to be informed about such change.

To the Agreement

Crusoe may make changes to this Agreement (including the URL Terms) and pricing from time to time. Unless otherwise noted by Crusoe, material changes to the Agreement will become effective 30 days after they are posted, except to the extent the changes apply to new functionality or the Data Processing and Security Terms, or are required by applicable law, in which case they will be effective immediately. Crusoe will provide at least 90 days’ advance notice for materially adverse changes to any SLAs by (i) sending an email to the Notification Email Address; (ii) posting a notice in the Admin Console; or (iii) posting a notice to the applicable SLA webpage. If Customer does not agree to the revised Agreement, Customer may stop using the Services. Customer may also terminate this

Agreement for convenience under [Termination for Convenience](#). Customer's continued use of the Services after such material change will constitute Customer's consent to such changes. Crusoe will post any modification to this Agreement to <https://legal.crusoe.ai/terms-of-service>.

To the Data Processing and Security Terms

Crusoe may only change the Data Processing and Security Terms where such change is required to comply with applicable law, is expressly permitted by the Data Processing and Security Terms, or:

- is commercially reasonable;
- does not result in a material reduction of the security of the Services;
- does not expand the scope of or remove any restrictions on Crusoe's processing of "Customer Personal Data," as described in the "Scope of Processing" Section of the Data Processing and Security Terms; and
- does not otherwise have a material adverse impact on Customer's rights under the Data Processing and Security Terms.

If Crusoe makes a material change to the Data Processing and Security Terms in accordance with [Modifications: To the Data Processing and Security Terms](#), Crusoe will post the change at the webpage containing the Data Processing and Security Terms.

Discontinuation of Services

Crusoe will notify Customer at least 90 days before discontinuing any Service (or associated material functionality) unless Crusoe replaces such discontinued Service or functionality with a materially similar Service or functionality. Further, Crusoe will notify Customer at least 90 days before significantly modifying a Customer-facing Crusoe API in a backwards-incompatible manner. Nothing in [Discontinuation of Services](#) limits Crusoe's ability to make changes required to comply with applicable law, address a material security risk, or avoid a substantial economic or material technical burden.

Software

Crusoe may make Software available to Customer, including third-party software. Customer's use of any Software is subject to the applicable provisions in the Service Specific Terms.

Payment Terms

Online Billing

At the end of the applicable Fee Accrual Period or as otherwise stated by Crusoe in the Admin Console, Crusoe will issue an electronic bill to Customer for all charges based on Customer's use of the Services during the applicable Fee Accrual Period (including, if applicable, the relevant Fees for TSS). Customer will pay all Fees in the currency stated in the invoice. If Customer elects to pay by credit card, debit card, or other non-invoiced form of payment, Crusoe will charge (and Customer will pay) all Fees immediately at the end of the Fee Accrual Period. If Customer elects to pay by invoice (and Crusoe agrees), all Fees are due as stated in the invoice. Customer's obligation to pay all Fees is non-cancellable. Crusoe's measurement of Customer's use of the Services is final. Crusoe has

no obligation to provide multiple bills. Payments made via wire transfer must include the bank information provided by Crusoe.

Taxes

Customer is responsible for any Taxes, and will pay Crusoe for the Services without any reduction for Taxes. If Crusoe is obligated to collect or pay any Taxes, the Taxes will be invoiced to Customer and Customer will pay such Taxes to Crusoe, unless Customer provides Crusoe with a timely and valid tax exemption certificate in respect of those Taxes.

Customer will provide Crusoe with any applicable tax identification information that Crusoe may require under applicable law to ensure its compliance with applicable tax regulations and authorities in applicable jurisdictions. Customer will be liable to pay (or reimburse Crusoe for) any taxes, interest, penalties, or fines arising out of any mis-declaration by Customer.

Payment Disputes & Refunds

Any payment disputes must be submitted before the payment due date. If the parties determine that certain billing inaccuracies are attributable to Crusoe, Crusoe will not issue a corrected invoice, but will instead issue a credit memo specifying the incorrect amount in the affected invoice. If a disputed invoice has not yet been paid, Crusoe will apply the credit memo amount to a disputed invoice and Customer will be responsible for paying the resulting net balance due on that invoice. Refunds (if any) are at Crusoe's discretion and will only be in the form of credit for the Services. Nothing in this Agreement obligates Crusoe to extend credit to any party.

Delinquent Payments; Suspension

Late payments may bear interest at the rate of 1.5% per month (or the highest rate permitted by law, if less) from the payment due date until paid in full. Customer will be responsible for all reasonable expenses (including attorneys' fees) incurred by Crusoe in collecting such delinquent amounts. If Crusoe becomes aware that Customer's or any End User's use of the Services violates the AUP, Crusoe will notify Customer and request that Customer correct the violation. If Customer fails to correct the violation within 24 hours of Crusoe's request, then Crusoe may Suspend all or part of Customer's use of the Services until the violation is corrected.

Other Suspension

Notwithstanding [AUP Violations](#), Crusoe may immediately Suspend all or part of Customer's use of the Services if (a) Crusoe reasonably believes Customer's or any End User's use of the Services could adversely impact the Services, other customers' or their end users' use of the Services, or the Crusoe network or servers used to provide the Services; (b) there is suspected unauthorized third-party access to the Services; (c) Crusoe reasonably believes that immediate Suspension is required to comply with any applicable law;

or (d) Customer is in breach of [Restrictions](#) or the Service Specific Terms. Crusoe will lift any such Suspension when the circumstances giving rise to the Suspension have been resolved.
